

**STATEMENT OF STEPHEN SIZER
REGARDING THE DECISION OF THE TRIBUNAL**

I am most grateful to the Tribunal for the careful way in which they approached the evidence and reached their conclusions. I accept those conclusions and the criticisms of my conduct, and apologise unreservedly for the hurt and offence caused. As I said at the time, I am particularly sorry that I posted a link on Facebook in January 2015 to an article blaming Israel for 9/11, and repeat my apology for the deep hurt that my conduct caused.

I do not propose to say any more at this juncture as I pray and reflect further.
